

A streamlined platform for digital court services and payments

Empowering local agencies to digitally collect and disburse critical sources of revenue faster

PayIt allows agencies of any size to consolidate their court processes, such as parking, misdemeanor or felony citations, and payments into one platform. Available on web, mobile-web and Apple and Android apps, agencies can meet their constituents wherever they are. For individuals who prefer more traditional methods, PayIt provides interactive voice response (IVR) phone payments and contactless point-of-sale (POS) terminals. These all adhere to the same business rules and workflows as the online solution, creating an ecosystem of payments—with one consolidated administrative portal and reporting dashboard.

PayIt helps the Clerk of the Circuit Court & Comptroller's office recuperate much-needed revenue during COVID-19 office closures

Launched in 2019, PayItClerkPBC allowed the The Clerk of the Circuit Court & Comptroller of Palm Beach County, to create an all-in-one platform for traffic ticket and court fee collection. Available on web, mobile and app, constituents are able to interact with the Clerk's office in the way they see fit.

The revenue collected with PayItClerkPBC is vital to both the county's operations and their constituents. With a diverse population of nearly 1.5 million people, Palm Beach is the third largest county in Florida. With such a wide-ranging constituency, the Clerk's office recognized that providing a simple-to-use system was essential. The year-over-year increases in revenue collection are a testament to that, with over \$7.3M in traffic tickets and court fees paid online.

When forced to close in-person operations during the onset of COVID-19, PayItClerkPBC allowed the Clerk's office to digitally recuperate 37% of revenue that otherwise would've been lost.
